Missouri Voting and Elections

Who registers to vote in Missouri?

Missouri residents may register to vote if they are: citizens of the U.S., 17 years and 6 months of age or older (may vote after reaching age 18) and not adjudged incapacitated. Residents may be registered to vote but not be eligible to vote, if they are: confined under sentence of imprisonment, on probation or parole after conviction of a felony until finally discharged or convicted of a felony or misdemeanor connected with the right of suffrage (sections 115.133 and 115.135, RSMo).

How do Missourians register?

Qualified citizens may register in person at the office of their local election authority, by mail, at the driver's license fee office, participating state agencies and other public locations. Registration in person is accomplished by filling out registration forms with information on identity, residence and qualifications, which are signed and sworn to, then witnessed by the election authority or a designee. The voter must present appropriate identification such as a birth certificate, a Native American tribal document, other proof of United States citizenship, a valid Missouri driver's license or other form of personal identification (sections 115.151, 115.155, 115.159, 115.160, 115.161 and 115.162, RSMo).

Registration by mail, at the driver's license fee office or at the participating state agencies requires submission of a signed and sworn application with information on identity, residence and qualifications. If mailed, this form must be postmarked by the fourth Wednesday preceding an election for the voter to be eligible to vote in that election. The voter must include a **copy** of appropriate identification (see above). If the voter does not submit such information, the voter will be required to vote in person, after presenting additional identification, for the first time. The election authority must send a verification of acceptance or rejection of registration within seven working days (sections 115.155, 115.160 and 115.162, RSMo).

When and where do Missourians register?

An unregistered citizen may register to vote in person during local election officials' regular business hours, when renewing a Missouri driver's license, when receiving services from a participating state agency or by mailing the local election authority. Special registration sites may be available prior to major elections (sections 115.145 and 115.151, RSMo).

The deadline for registration is the fourth Wednesday prior to an election (section 115.135, RSMo).

When do Missourians vote?

In general, the statutes require public elections be held on the general Election Day, the primary Election Day, the general municipal Election Day, the first Tuesday after the first Monday in February or November, or on another day expressly provided by city or county charter, the first Tuesday after the first Monday in June and in nonprimary years on the first Tuesday after the first Monday in August (section 115.123.1, RSMo).

The general Election Day is the first Tuesday after the first Monday in November in even-numbered years. The primary Election Day is the first Tuesday after the first Monday in August in even-numbered years (sections 115.121.1 and 115.121.2, RSMo).

Elections for cities, towns, villages, school boards and special district officers are held the first Tuesday after the first Monday in April each year, known as general municipal Election Day (section 115.121.3, RSMo).

A statewide presidential preference primary is held on the first Tuesday after the first Monday in February of each presidential election year (section 115.755, RSMo).

Elections may be held on other Tuesdays for bond elections necessitated by fire, vandalism or natural disaster, where ownership of real property is required by law for voting and for special elections to fill vacancies (sections 115.123.2, RSMo).

Who conducts registration and elections?

Voter registration and the conduct of elections are the responsibilities of Missouri's 116 local election authorities (election boards and county clerks). Boards of election commissioners administer elections in the counties of Clay, Jackson, Platte and St. Louis and in the cities of Kansas City and St. Louis. The county clerk serves as the election authority in all other counties of the state. In 2005, legislation was passed giving Cass County the option of setting

up a board of election commissioners (115.015 and 115.017, RSMo).

Special voting provisions

Voters with disabilities and voters who are unable to vote because of absence or illness may vote absentee. Persons with permanent disabilities may apply for permanent absentee ballot status by applying with the local election authority (section 115.284, RSMo). Voters with disabilities may vote their ballots from their vehicles at curbside, or they may be reassigned to a more accessible polling place. Voters should contact local election officials about absentee federal service balloting or "new resident" absentee ballots.

When voting, Missourians must show an approved form of personal identification (section 115.427, RSMo). Approved identification includes:

1. Identification issued by the state of Missouri, an agency of the state, or a local election authority of the state;
2. Identification issued by the United States government or agency thereof;
3. Identification issued by an institution of higher education, including a university, college, vocational or technical school, located within the state of Missouri;
4. A copy of a current utility bill, bank statement, paycheck, government check or other government document that contains the name and address of the voter;
5. Driver's license or state identification card issued by another state.

If you do not possess any of these forms of identification, you may still cast a ballot if two supervising election judges, one from each major political party, attest they know you.

Elections and political parties

Missourians do not register under party affiliation. Hence, at primary elections, voters may choose which "established party" ballot they vote (section 115.397, RSMo). Party nominees and independent candidates are then listed on the general election ballot.

There are presently four "established political parties" statewide—the Democratic, Republican, Libertarian and Constitution parties. Persons may seek the nomination of these parties for any elective office from the county level and above. In order to become "established," a party must have received more than two percent of the votes cast statewide for at least one of its candidates. New parties are formed by petition and may exist on the county, district or state level. They must meet the same stan-

dard as any other party to remain established (section 115.317, RSMo).

At the time of primary elections, voters select county committee members of established parties in Missouri. Those committee people have certain duties and responsibilities. They serve, as appropriate, as members of legislative, senatorial, judicial and congressional district committees (sections 115.609, 115.613 and 115.619, RSMo). County, district or state committee members may be called on to fill candidate vacancies on party ballots or to select nominees for special elections as needed. The state committees are selected, indirectly, by local committee persons.

Poll Workers in Missouri

Missouri's local election authorities are charged with staffing their poll-

ing places on Election Day. There are certain qualifications one must have in order to work at the polls: You must be a registered voter; you must be able to speak, read and write English; you must not have a close relative that appears on the current ballot; and you must not hold elective office at the time of service. Poll workers are compensated for their service on Election Day and are required to attend at least one training prior to Election Day for which they are compensated as well.

Over 20,000 poll workers are needed across Missouri to conduct a statewide election. As federal legislation implemented new changes to the nation's polling places, the secretary of state's office implemented a first-ever statewide recruitment effort to enlist new volunteers to work at the polls. Through partnerships with businesses, universi-

ties and civic organizations across the state, the secretary of state's office has directed more than 5,000 volunteers to local election authorities to work at the polls on Election Day.

Poll workers are truly on the front lines of democracy. Their work is critical to protecting the integrity of our elections and ensuring that the voting process is fair and accurate. Individuals that are interested in signing up to be a poll worker or would like more information are encouraged to visit the secretary of state's website, www.sos.mo.gov/pollworker or contact their local election authority (sections 115.079, 115.085, 115.101 and 115.103, www.sos.mo.gov/pollworker).

Constitutional Amendment NO. 2

[Proposed by the 95th General Assembly (First Regular Session) HJR 15]

OFFICIAL BALLOT TITLE:

Shall the Missouri Constitution be amended to require that all real property used as a homestead by Missouri citizens who are former prisoners of war and have a total service-connected disability be exempt from property taxes?

The number of qualified former prisoners of war and the amount of each exemption are unknown, however, because the number who meet the qualifications is expected to be small, the cost to local governmental entities should be minimal. Revenue to the state blind pension fund may be reduced by \$1,200.

Proposition A

[Proposed by Initiative Petition]

OFFICIAL BALLOT TITLE:

Shall Missouri law be amended to:

- repeal the authority of certain cities to use earnings taxes to fund their budgets;
- require voters in cities that currently have an earnings tax to approve continuation of such tax at the next general municipal election and at an election held every 5 years thereafter;
- require any current earnings tax that is not approved by the voters to be phased out over a period of 10 years; and
- prohibit any city from adding a new earnings tax to fund their budget?

The proposal could eliminate certain city earnings taxes. For 2010, Kansas City and the City of St. Louis budgeted earnings tax revenue of \$199.2 million and \$141.2 million, respectively. Reduced earnings tax deductions could increase state revenues by \$4.8 million. The total cost or savings to state and local governmental entities is unknown.

Proposition B

[Proposed by Initiative Petition]

OFFICIAL BALLOT TITLE:

Shall Missouri law be amended to:

- require large-scale dog breeding operations to provide each dog under their care with sufficient food, clean water, housing and space; necessary veterinary care; regular exercise and adequate rest between breeding cycles;
- prohibit any breeder from having more than 50 breeding dogs for the purpose of selling their puppies as pets; and
- create a misdemeanor crime of "puppy mill cruelty" for any violations?

It is estimated state governmental entities will incur costs of \$654,768 (on-going costs of \$521,356 and one-time costs of \$133,412). Some local governmental entities may experience costs related to enforcement activities and savings related to reduced animal care activities.

Proposition C

Proposed by 95th General Assembly (Second Regular Session) SS SCS HCS HB 1764
 Shall the Missouri Statutes be amended to:

- Deny the government authority to penalize citizens for refusing to purchase private health insurance or infringe upon the right to offer or accept direct payment for lawful healthcare services?
- Modify laws regarding the liquidation of certain domestic insurance companies?

It is estimated this proposal will have no immediate costs or savings to state or local governmental entities. However, because of the uncertain interaction of the proposal with implementation of the federal Patient Protection and Affordable Care Act, future costs to state governmental entities are unknown.

In 1862, the Old Stagecoach Stop in Waynesville was commandeered by Union soldiers and used as an infirmary for the Waynesville Fort (Commanded by Col. Albert Sigel), until the war ended in 1865. Built in the 1850s, the Old Stagecoach Stop is Pulaski County's oldest building. (photo courtesy of Melissa Buckley)
